

NSW Kendo Announcement:

25/02/2021

6th KYU to 4th DAN GRADING & SHIMPAN SEMINAR

Dear Members,

NSWKA is pleased to announce that we will be hold a state grading on the Saturday 10th April 2021.

We will be grading members from 6th Kyu to 4th Dan followed by a Shimpan Seminar for all members to expand their kendo knowledge and become more involved in our sport

This event will be held at The University of Sydney Cumberland Campus Lidcome and start at 8am til 3:00pm

We would also like to welcome AKR members from other States to join providing it is safe to do so and state boarders are open.

Grading Registration will close the 1st April.

While the above is planned to happen we are all still living within a Covid environment and we still will need to work within the recommendations of a national framework, please ensure that we are all adhering to the NSW state guidelines and the guidelines imposed by the University.

We will update everyone as it gets closer to the date with procedures should they be different from our normal style of grading's.

Clarification of time in grading for NSW members only.

We are well aware that based on the staggered grading's last years some clubs may fall short of the 5 months, The 5 months before a Kyu grade and then between grading's is a guide line, should the club Sensei feel a Kyu grade student is more than ready then they may grade.

We wish you all the best stay safe and stay well

Regards

Andrew van Hamond

President NSW Kendo Association
